Call us now

Spackler is ready to give a nice finished drywall, smooth and touch-ups

- After the **spackling** is completely dry, you want to sand it smooth. The idea is that you want it flush with the wall or ceiling surface and smooth to the touch. Sand lightly with a sanding sponge until the surface is ready for paint. If you feel a depression, you need to apply another coat of **spackling** paste to fill it

- Full installation of drywall of all size
- Once is installed , we do taping and spackling
- Sanding and ready to paint
- Free estimate (516)828-1324 [www.4uremodel.com](http://www.4uremodel.com)
- We work hard to do any work , just call me now and you will have best prices.

## HANDYMA.COM we do your to-do-list BEST PRICES
